BELLE GLADE-PAHOKEE, FL.

Last tree felled along U.S. 27

By BRENDA BUNTING

SOUTH BAY—Chain saws and Australian Pines gave out at the same time Monday morning, as a project to eliminate a safety hazard came to a successful conclusion.

Department of Transportation (DOT) Engineer Kenneth Bowers said 13 chain saws had already been worn out in the 2½ year project to remove 6,000 trees along U.S. 27. "And this one has almost had it, he said."

The chain saw breathed it's last with six inches of uncut wood left in the four-foot trunk. A crane was nosed up to the tree to provide the final push.

DOT crews first began cutting the Australian Pines on U.S. 441 between Belle Glade and Pahokee after 12 year old Angela K. Lottes was killed in her mother's car when it slammed into a tree fallen across 441.

That was in August 1979. The girl's death triggered a project The Canal Hazards Safety Committee and other Glades residents had worked to accomplish for years.

The crews stripped the trees first from 441 between Belle Glade and Canal Point then along U.S. 98 east of Canal Point before starting on Broadway 27, Feb. 9, 1981.

"We went through a lot of chain saws and a lot of inmates," Bowers said, "and we've had six foremen on the job since we started."

Bowers said some strange things had happened on the job including one incident where the chain saw twisted in the tree and was sent flying into the canal. "We had to call our divers out to get the saw out of the canal," Bowers said.

"We were very lucky in that we have had no traffic accidents on this job," he said, "but we did have one

incident where a tree fell on one of our trucks.

"A limb went between the mirror and the cab. That was the driver's fault for having the truck in the wrong place."

Bowers said that some of the trees were hollow, causing some interesting developments.

"They'd cut into some of those trees and it was like cutting into a spring. Water would just gush out," he said.

On occasion the trees would be homes for snakes that would be driven out by the chain saws, sending inmates scurrying for safety.

"We're going to be finished with this project," Bowers said. "Now we only have to finish cutting up the trees that have fallen into the canal. It seems strange that it has taken us almost a year to the day to finish."

Bowers said the crew could have finished the project Friday, but delayed it until Monday to insure news coverage.

The next to the last tree was cut down by David Dockery Sr., the understudy to Calvin Crawford who manned the chain saw on the last tree.

Crawford said he had cut down more than 2,700 trees along U.S. 27 and Dockery took down 200 more.

A rain squall delayed the cutting of the final tree's felling as workers and onlookers took cover in cars and trucks parked along the highway.

Bowers said he was only sorry it took the death of the young girl to bring about the removal of the trees.

Frank Jones, chairman of the Canal Hazards Safety Committee, was on hand for the downfall of the final tree and said "It's great. This is something we have been working toward for a long time."

On hand to watch the last tree on Highway 27 go down were Frank Jones of the Canal Hazard Committee and Department of Transportation Engineer Kenneth Bowers. Bowers and Jones stands atop of the fallen tree.

On hand to watch the last tree on Highway 27 go down were Frank Jones of the Canal Hazard Committee and Department of Transportation Engineer Kenneth Bowers. Bowers and Jones stands atop of the fallen tree.

New fund aids police

By JEFF BROWN

BELLE GLADE—Criminals caught with the goods may find themselves helping the police to conduct investigations into other illegal activities.

The Belle Glade City Commission Monday, Feb. 8, approved setting up a Law Enforcement Trust Fund to be funded by the booty taken into custody in busts.

The fund, to be audited by City Finance Director Frank C. Anderson, will comply with the State Contraband Forfeiture Act.

According to the act, any contraband and vessels, motor vehicles, aircrafts or other personal property which was seized because of its use or intended use in dealing with contraband, may become the property of the law enforcement agency within whose jurisdiction the seizure or offense occurred.

"That agency may use the property or sell it, according to the act."

The fund created by the City Commission Monday night will permit the city to use the money generated by the sale of such property for investigations.

According to Belle Glade Police Chief D. Bill Mathis, the local police have not been able to engage in investigations into drug and gambling offenses as much as they wanted because of the absence of money.

This fund could provide the department with the money needed to beef up their investigations in those areas, he said.

In other action, the City Commission Monday, Feb. 8:

- Voted to purchase four Ford LTDs from Doug Lockhart Ford for \$35,989.88 for use by the Police Department. It voted to retain four automobiles it currently owns for negotiated resale.

Lockhart did not offer the lowest bid. The low [Continued on Page 3]

Church objects to Jubilee date

BELLE GLADE—The Administrative Board of the Community United Methodist Church sent the Black Gold Jubilee Committee a letter protesting the scheduling of Festival events on Palm Sunday, April 4.

In the letter, the board asked the committee to consider rescheduling the activities.

"I know they won't be able to this year, anymore," said Joe Ed McGahey, pastor of the church. "Last year things ended up on Palm Sunday and we protested then. This year they turned

around and did it again."

The board took no action on the request.

"We'll sit here and say we need things in this community to bring us all together and we do this and they complain," said Committee Member Charles Sizemore.

"Those who are going to go to church will go anyway," said Committee Member Mary Orsenigo.

"That's naive, in all honesty," said McGahey. "It really cuts deep in Sunday evening worship. If they would start at one in the afternoon and end at sundown, I'd have no objection. But they have the fireworks Sunday evening. There's really no reason that couldn't be held Saturday night."

McGahey, who said he objects to scheduling recreational activities on any Sunday, claimed he is primarily concerned with the events on Palm Sunday. "It's just a matter of time until they're

looking at Easter as unimportant."

The committee had set up events to be as close to the founding date of Belle Glade as possible without conflicting with Easter, according to Committee Member Carol Ann Haller.

"Palm Sunday is also important," said McGahey. "I'd settle if they'd just wouldn't ignore Palm Sunday."

McGahey accused the board of ignoring the nation's Christian heritage.

"Providing recreation for the family is a Christian thing," said Sizemore. "And the festival lends itself very well to religion. After all, you can thank God for the soil, for the earth."

"I appreciate that," said McGahey. "I have a deep appreciation for Disney World for the same reasons. I just don't think we ought to take the Lord's day, and set it up as a time for recreation."

3 file for South Bay commission

SOUTH BAY—There is a possibility of a new face on the South Bay City Commission with the qualifying of Rennick Carlton Morris for the Group 2 seat presently held by Vice-Mayor Ray Sullivan.

Morris, 53, an employee of the Palm Beach County School Board, assigned to the transportation department was the first to file to run in the March 2 election race.

Morris filed his intentions to seek office on Tuesday, Feb. 2. A native of Jamaica, Morris served in the Royal Air Force of Great Britain, during World War II. He is father of eight children.

Morris said he moved to the Glades in 1956 and came to this country as an agricultural worker, not as a cane cutter.

Morris and his wife, Hyacinth, make their home at 185 N.W. 6th St.

Vice Mayor Sullivan filed to run Monday, Feb. 8. Sullivan is running for his fifth term and his third consecutive term.

Sullivan, who lives at 290 S.E. 4th Ave., said he has lived in South Bay since 1947.

Commissioner Sammy Rogers also filed Monday to seek re-election in Group II. At press time Rogers did not have any challengers.

Rogers is presently serving his first term on the Commission having defeated Doris Davis and former Commissioner Howell Goodbread in a three way race in 1980.

City Clerk Virginia Walker said the city election will be held on Tuesday, Mar. 2 and the polls will be open from 7 a.m. to 7 p.m.

VICE MAYOR RAY SULLIVAN of South Bay, filed his intentions to seek re-election Monday. Sullivan is running for his fifth term, and third consecutive term.

2 die in vehicle pileup

PAHOKEE—For the third consecutive week, poor roads have contributed to the loss of lives in the Glades region.

Two people died Sunday, Feb. 7, in a three car collision about ten miles east of Belle

Glade on SR 80. Barney Yatrosky, 74 of Deerfield Beach and Lillian Klien of Deerfield Beach died as a result of injuries sustained when the car they we passengers in was hit head-on at about 6:30 p.m.

Brian Crumfo, 18, of Moore Haven, was travelling west when he crossed over to the left lane and hit the eastbound Yatrosky automobile. Joseph Kelly, 18 of Clewiston, was a passenger in the automobile, according

to the Florida Highway Patrol. The Yatrosky car, driven by Molly Yatrosky, 74, was struck in the rear by another eastbound car driven by August Vincent Fuchs, Jr., 58, of Lauderhill.

Fuchs and Doris Fuchs, 54, a passenger in the Fuchs automobile, were treated and released. Rubin Klien, 75, was another passenger in the Yatrosky automobile.

Jim Ristich named Monterey manager

BELLE GLADE -- Monterey TV and Stereo, located at 364 SW Avenue E, recently came under the management of a former Chicago carpet salesman.

Jim Ristich has been managing the Curtis Mathes store since Jan. 18.

Prior to assuming his position, he managed a carpet store in Chicago.

When Curtis Mathes offered him an opportunity to manage the Belle Glade store, he took it.

He had never worked in television before, he said.

"The people are great," he said of his experience in the Glades so far.

The local store offers rental units and can help those with rood

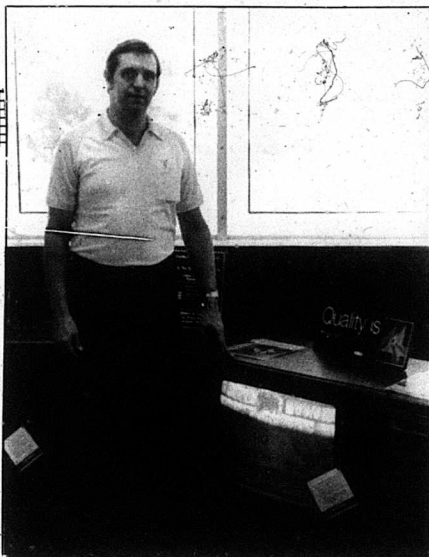

rental records establish credit later, he said.

It also services any unit it sells.

"Curtis Mathes doesn't want its customers without a TV for more than 24 hours," said Ristich.

"That means if we have to take their set to work on it, we'll give them a loaner."

Customers can also enter a club which offers TV, stereo and video cassette recording equipment.

JIM RISTICH has taken over as manager at Monterey TV

Urban League sponsors essay

WEST BEACH - The Urban League of Palm Beach County is sponsoring an essay contest for elementary, junior and senior high school students.

The prize will be a \$50 saving bond. All interested students may call the Urban League office for additional information at 305-834-4260.

Jane Frier to be womens speaker

BELLE GLADE - The Belle Glade Woman's Club will have as their guest speaker at their next meeting, Mrs. Jane Frier of Plain Jane's Custom Ceramics and Gifts, Belle Glade.

The program, to be

presented on Feb. 18 at 1:30 p.m. will be held at the Belle Glade Civic Center.

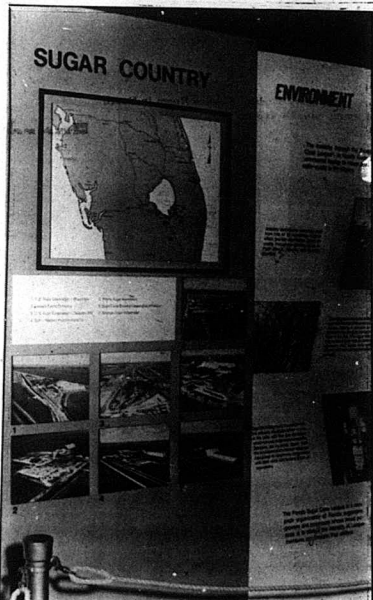

Mrs. Frier will be speaking on fine arts. Mrs. Helen Lyons will be the program chairman for the occasion.

Jumping for health

Hot Dog, Peek a Boo, Wounded Duck, Irish Fling, and the Can Can, are just a few of the exercises that will be tried by students of the Glades Day School, 400 N.E. Avenue L, during the Jump Rope for Heart special event, February 15 to 19.

The primary goal of the Jump Rope for Heart program is to encourage young people to engage in rope jumping for their own health, promoting the lifelong benefits of regular exercise and to raise money for the research and educational programs of the American Heart Association. The event is sponsored by the Florida Alliance for Health, Physical Education and Recreation and Dance.

Jump Rope for Heart is a team event, six jumpers per team. The students take turns jumping during the team's allotted two to three hours. Each team member swears pledges for each minute the team jumps, and each will receive a certificate of appreciation. Students are eligible for prizes based on the dollars raised for Heart. The prizes will include tote bags, jackets, T-shirts and Frisbees.

Supt. Mills meets with local citizens

BELLE GLADE—There will be a special meeting held tonight at 7:30 p.m. at Lake Shore Middle School.

Superintendent Thomas Mills, of the Palm Beach County School System and his staff will meet with interested citizens on the proposed grade level changes in the elementary and middle schools in the Glades.

The meeting was requested by Ms. LaVoise Taylor, a former school board candidate.

Mills is presently proposing that Glades, Canal Point and Belle Glade Elementary add fifth grade to their present grade structure in September of this year.

Lake Shore Elementary School would become a facility for six grade only and would come under the administration of Lake Shore Middle School.

During September of 1983, Gladesview and Pahokee Elementary would go from grades kindergarten through fifth.

Man held in murder investigation

BELLE GLADE—A Belle Glade man is in custody and facing charges of second degree murder in the stabbing death of a South Bay resident.

According to Detective John Carney, Jackie Joiner, 17, of 1150 Palm Beach in South Bay, was stabbed in the heart at about 10:00 p.m. Wednesday, January 27.

He was found lying on the sidewalk by police and treated at the scene. He was transferred to Glades General Hospital where he died at about 11:10 p.m.

According to Carney, Leonard Davis Stevens, 27, of 507 SW Fourth Street, Belle Glade, turned himself in at about 1 a.m. Thursday, January 28 and admitted to stabbing Joiner during an argument in a bar.

Stevens is in custody facing a charge of second degree murder.

Patrolman Aurelio Rodriguez worked the case with Carney. T.D. Murry conducted the crime scene investigation.

Class of '65 to meet

SOUTH BAY—The Lake Shore High School Class of 1965 is holding its class reunion meetings on the first and third Tuesdays in the Days Inn Conference Room in South Bay.

Fund—

Continued from Page 1

bidder was Wayne Akers Ford in Lake Worth, who bid \$35,610.48, or \$94.85 per automobile less than Doug Lockhart Ford, which is located in Belle Glade.

Mathis said the slightly higher cost (one percent) is "more than offset by having a local dealer on whom we can rely upon to give us" service when the warranty runs out.

Carter Chevrolet of Pahokee bid \$38,008 for four Malibus.

• Voted to purchase chemicals for the water and sewer systems from several companies.

The city will purchase one ton cylinders of liquid chlorine from Chlorine Chemicals Inc. for \$131 per cylinder. It will also purchase 150 lbs cylinders of liquid chlorine and 100 lb drums of HTH from the company. The 150 pound cylinders will cost \$19 and the HTH drums will cost \$99.

Lime will be purchased from Allied Products at \$72.22 per ton.

Sodium Fluoride will be purchased from Thompson-Haywood for .74 per pound. The city will also purchase liquid alum from Allied Chemical at \$162.47 per ton.

Olin Water Services will continue to be the city's supplier of polymer.

All the companies awarded the contracts were the low bidders.

• Approved the purchase of two garbage trucks from South Florida Mack Trucks, Inc.

The trucks will consist of EZ-Pak Bodies mounted on Mack frames and will cost a total of \$160,468.

The commission also voted to keep the International garbage truck the city owns and trade in two Fords it owns. The Fords, a 1977 and 1975, can be traded in for \$5,000 and \$1,750 respectively.

• Passed the first reading of ordinances raising the sewage and water rates.

Water rates will increase in April from \$8 to \$11.60 for the first 6,000 gallons. For every 6,000 gallons over the first 6,000, customers will pay \$13.16, up from the current rate of \$11.55.

• Gave approval to Mayor Thomas L. Altman's proclamation declaring the week of Feb. 15 National Patriotism Week.

Charges pending in accident

BELLE GLADE—James Arthur, 25, of Runyon Village, Belle Glade.

Charges are pending against a driver in an accident which left one man dead Friday, Feb. 5, according to the Highway Patrol.

Rodney was travelling north in the north-bound lane of SR 15 when he was hit head-on by a vehicle driven by Arthur, who was travelling south in the same lane.

SR 15 is a four-lane, divided highway at that location.

Charges are pending against the driver of the second vehicle.

ing in a stolen vehicle, according to the Highway Patrol.

The accident occurred at about 2:15 a.m.

Heart Ball planned for 27th

BELLE GLADE—Music of the 1950s as well as Country and Western music will be played at the annual Heart Ball Feb. 27 at the Belle Glade Elks Club.

"Heart Beat of the '50s" is the theme for this year's ball and music will be provided by The 14 Karat Gold Band with Simon Train as the emcee.

The Belle Glade Junior Woman's Club is sponsoring the dance and all proceeds will benefit the American Heart Association.

Tickets are \$20 per couple and can be purchased from any Junior Woman member. Door prizes have been donated by The Timesaver, The Rose Petal and Seminole Supply.

Contests will be held throughout the evening and the prizes will be given away.

Members of the Junior Woman's Club on the committee for the dance are chairman Maria Buckner, Sharon Underwood in charge of ticket sales, Glennie Davis, decorations and publicity, Vickie McMullen.

Jubilee dates fine

The Community United Methodist Church Administrative Board's objection concerning the activities scheduled for Palm Sunday are unfounded and unreasonable.

When the founding fathers established the United States and its Constitution in 1789, they guaranteed freedom of religion. That right can and should be read to include freedom from religion.

It took many years for the country to get to where it is today. The United States Constitution eradicated the need to be a churchgoer to vote, hold office or own land in some colonies.

It was only recently that blue laws requiring the closing of stores, theaters and restaurants were repealed in many states.

Prohibiting the scheduling of events on a Sunday, any Sunday, be it Easter or Palm Sunday, due to the religious beliefs of one group, large or small, ignores the beliefs or lack of beliefs of the rest of society.

If the beliefs of one segment of society can force adherence by the rest, a Democratic society should also recognize the beliefs and doctrines of all segments.

Should businesses be closed and recreational activities be rescheduled so as not to conflict with the Jewish Sabbath - Saturday? How about Moslem holidays?

We believe that's ridiculous and that people should have opportunities to choose their own activities and when they wish to participate in those activities.

Although Christians are in the majority, this is not a Christian nation. This is a land of religious freedom.

Let us exercise that freedom. Otherwise we could find ourselves once again in the position of the Boston sea captain who was jailed for kissing his wife on the front doorstep the day he returned from a two-year voyage.

Open letter to the mayor

On Thursday, Jan. 21, the School Board of Palm Beach County conducted a special workshop at the West Technical Education Center to discuss building and capital improvement needs in the Glades area.

In keeping with past meetings in the West Area, attendance was extremely good; the meeting was tremendously productive for the Administration and the School Board.

Citizens of both Belle Glade and Pahokee were informed, articulate, and provided valuable input regarding their needs and concerns for the education of children in the Glades.

Contrary to the statements made by Mayor Duncan Padgett of Pahokee, there were neither fireworks nor a fight—the meeting achieved the objectives of providing an opportunity for the citizens of the Glades to talk with the Superintendent and the School Board, giving the community a voice in educational decisions which will directly affect them.

In view of the extremely productive meeting, I feel that Mayor Padgett owes an apology to the citizens of his community for so vastly underestimating them.

In particular, Mayor Padgett, in the heat of rhetoric, made an extremely unfortunate reference to one segment of his community —

school bus drivers. The mayor should be aware of the following: 33 school buses transport 4,936 students over a total of 2,649 miles daily. In the past five years, there has been no accident on any bus route in the Glades which has resulted in personal injury for any student or driver.

In 1981, the School Bus Driver of the Year award went to Glades resident Juanita Bird, who has a record of 20 years of accident-free driving in the Glades. This would seem to prove that, contrary to Mayor Padgett's statement that "some of those idiots driving buses don't have walking around sense," the drivers who transport children to school daily are concerned, careful individuals who have the welfare of the community's children uppermost in their minds at all times, and are productive citizens of his community.

As chief administrator of the Palm Beach County Schools, I feel that Mayor Padgett has done a grave injustice to citizens of the Glades through the statements he made in the press. In light of the outstanding safety record of the bus drivers in the Glades, I ask that he issue a public apology.

Sincerely,
 Thomas J. Mills
 Superintendent

for cattle raising, according to Paul Thompson, former president of the National Cattlemen's Association.

Thompson was just beginning a steer feeding operation just west of 20 Mile Bend.

40 YEARS AGO
BELLE GLADE HERALD
FEBRUARY 13, 1942

All men between the ages of 20 and 45 were notified in a page one story they were expected to register for military conscription Feb. 14, 15 and 16.

The men were notified they were to register with the Selective Service Board at local schools over Saturday and Sunday. Teachers would be acting as Selective Service deputies to aid in the registration.

Board chairman John Dulaney said the chief white registrars for the area were D.D. Caudill in Pahokee, J.B. Cox in Canal Point, L.W. Bartlett in Belle Glade, Erwin Johnson in South Bay and Mrs. Ned Williamson in Lake Harbor.

He said the chief colored registrars were P.P. DeMoya in Pahokee, W.P. Jernigan in Canal Point, Carl Thompson in Belle Glade and Wendall

Pet peeves...

Here are some favorite pet peeves:
 ✓ Dirty feet. "Crusty critters" one woman calls them.

✓ Cigarette smokers who stamp out their cigarettes on the floor.

✓ Bumper stickers, especially those which say "I brake for animals."

✓ Heavy belchers who eat a lot of raw onions, then chase them down with beer.

✓ Strangers who knock on doors and want to argue religion with the unsuspecting innocent inquirer.

✓ Odd words, like "retrenchment," and "dichotomy."

✓ Big talkers.

✓ Punk rock. Whatever happened to folk rock?

✓ Pseudo-intellectuals.

✓ The warning "Some assembly required."

✓ Typographical errors.

✓ People who spit their Skoal into paper cups (though it may be a preferable place to spit when compared to the floor).

Those are my pet peeves or at least somebody's. If you have any, drop me a line or give me a call.

Sorority plans Jubilee dance

BELLE GLADE—The Belle Glade Chapter of Nu Kappa Sorority met at the home of Cindy Baez and discussed plans for the Black Gold Jubilee dance that they are sponsoring to be held at the Belle Glade Elks Club.

The club chose the "Swamp Fever Blues" to perform at the dance

to be held on Saturday, April 3. Tickets for the dance are available from all sorority members.

During their meeting, Nu Kappa members were given a program by advisor Cathy Lee on the history of Beta Sigma Phi.

from Herald Observer files

Lyons in South Bay.
 Skies had been darkened for several days by huge clouds of smoke generated by grass fires in the unsettled portions of the Everglades.

As fires from distant fires were seen settling on celery fields near 6 Mile Bend and as far as the town site of South Bay.

One fire was below Shawano and being swept over the open Glades by variable winds. Four others were raging between Okeelanta and Miami along the North New River Canal and SR 88.

A procedure for releasing new passenger cars, purchased but not delivered before the government froze all auto sales on Jan. 1, was announced by Leon Henderson, administrator of the Office of Price Administration.

A meeting of all employers in Belle Glade, South Bay, Bean City and Lake Harbor was held to explore ways of increasing the sale of war bonds and stamps locally.

FEBRUARY 4, 1962

Fog was the cause of a pileup of vehicles on US 441 at the East Shore Canal Bridge when a Coca Cola Bottling Co. truck hit a cane wagon crossing the highway, injuring the truck driver and his helper, who were treated at Everglades Memorial Hospital.

Unnamed members of the Belle Glade Memorial Hospital staff placed a priority of a hospital with at least 100, and preferably 125, beds.

Among the advantages to the community, pointed out by staff members, would be a plant that meets standard requirements, that would supply better and more modern service through ample and up-to-date equipment. Specialists are also expected to be more readily available.

Also needed, according to the spokesmen, were a tumor clinic for the treatment of cancer and other malignant diseases and a well baby clinic.

The Glades area was well represented by 4-H clubs and Future Farmers of America at the South Florida Fair in West Palm Beach.

Local youngsters entered exhibits in vegetables, poultry, cattle and dairy show animals and brought home their share of ribbons.

30 YEARS AGO
BELLE GLADE HERALD
FEBRUARY 8, 1952

The Area Flood Control Committee of the Belle Glade Chamber of Commerce was to participate in the sponsored discussion between Glades land owners. The Central and South Florida Flood Control District officials and U.S. Engineers on methods to facilitate the overall flood control program.

The program was to be in tune with studied wishes of land users. The meeting was scheduled to be held at the local American Legion Hall.

Flood control officials expressed a desire to hear from landowners on the most practical way to continue ongoing projects.

A controversy on what hours local residents should be allowed to drink was resolved when they voted in a straw ballot to continue the hours recently passed by the city commission.

Hours had previously been from 8 a.m. to midnight, Monday through Friday and from 8 a.m. Saturday to 2 a.m. Sunday and bars would remain closed all day Sunday.

The Glades would be the up and coming place

Housing Authority anticipating legal action

By JEFF BROWN
PAHOKEE — The Pahokee Housing Authority, on the verge of closing a lease arrangement with the city over the authority's newly ordered garbage truck, is bracing for a lawsuit expected to be filed by South Florida Sanitation.

"I don't think there's any doubt that they're going to sue the Housing Authority," said Michael Stauder, the authority's attorney.

The authority has ordered the truck and a garbage unit for it after deciding to collect and dispose of its own garbage. The authority's board of directors made the decision after South Florida Sanitation raised its rates.

The authority has been negotiating with the Pahokee City Council for over a month in an attempt to lease the garbage truck to the city during the hours the authority is not using it.

Randall J. Mills, the authority's Executive Director, estimated the authority will use the truck about eight hours per week.

Originally, the authority proposed to lease the truck to the city in exchange for a place to dump its garbage, 75 per cent of all maintenance fees over \$100 and a driver during the eight hours the truck would need one each week.

When South Florida Sanitation informed both parties it would sue for breach of its franchise if the two entered into the "co-operative" agreement, the terms were renegotiated and the

"driver clause" omitted in exchange for a monetary reimbursement to the authority.

The monetary reimbursement is expected to be between \$250 and \$300 per month.

The city, in an attempt to avoid any appearance of illegality, decided to advertise for bids for leasing a garbage truck 32 hours per week.

The authority's Board of Directors Tuesday, Feb. 9, voted to offer the terms of its proposal as a bid.

According to Stauder, attorney for the City and the authority, lawyers for South Florida Sanitation have informed him the company intends to sue for violation of their franchise.

He told the directors that he believes the authority is "standing on good legal ground."

"Now, I'm only offering my opinion," he said.

"I've seen a lot wiser men than I am get overturned in the Supreme and District courts. There is a legal question here."

The authority has ordered its truck from Pahokee Ford, according to Mills, saving over \$2,000 from the cost if it ordered it through the manufacturer in Phoenix, Arizona.

The truck will be transported to Phoenix where it will be fitted with a garbage gruncher

The authority has also ordered 125 garbage containers at \$130 apiece for a total of \$16,250.

It's total cost to purchase the equipment necessary to "go into the garbage business," will be about \$85,000, according to Mills.

The truck will be used to collect garbage from the Padgett Island and Framb Village developments in Pahokee, according to Mills.

and airconditioning.
 Total cost for the truck and gruncher will be \$68,275.

Everglades

history — [Continued from Page 4]

During a meeting of the East Beach Post of the American Legion.

The festival and entertainment was planned to be composed principally of local attractions displaying the products of the Everglades to the best advantage of this section.

Boy Scout troops of Pahokee and Canal Point found a way to raise money for their needs in an arrangement with the Pahokee News and Philosophy.

The scouts in Pahokee wanted to build and furnish a "hut" for meetings and equipment was needed by Canal Point scouts.

The newspaper wanted subscriptions and was willing to offer commissions for new starts.

Area residents were put on notice the combined forces would be knocking on their doors for the solutions.

Everglades roads conditions, primarily around Belle Glade, were to be discussed by the Belle Glade Chamber of Commerce, when it was to meet with officials of the State Road Department.

Because of the meeting's importance, members of the West Palm Beach Chamber of Commerce, which was to defer its weekly meeting, were to attend.

After lunch, the meeting was to include a survey of the area's road conditions and needs.

Local woman conducting research

GAINESVILLE - The University of Florida is testing several industrial and medical applications possible for a new scattered gamma-ray method.

Dr. Alan Jacobs, chairman of the UF's nuclear engineering sciences department and doctoral student,

Samim Anghaie have come up with a way of "seeing" into pipes to improve the safety of nuclear power plants.

In addition to the work by Jacobs and Anghaie, nuclear engineering student, Sharon Clayton of Belle Glade, is just

beginning to test to see if the method can be used to learn the density and composition in human backbones. If it does, it could be used to diagnose and screen humans for osteoporosis, a thinning of the bones.

Four million people in the U.S. have a significant degree of the disease. The condition plagues 25 percent of post-menopausal women and strikes men later in life. The disease can be reversed with hormone treatments if caught early enough.

Jacobs, who thought of trying the method to test for osteoporosis, said that, it works, it will be far cheaper to use and much more accurate than other methods now contemplated as solutions to the diagnostic problem.

In the study undertaken by Anghaie, Jacobs said, "It will be nice to have something like this on all water-cooled nuclear reactors."

In guiding Anghaie, in analyzing scattered radiation to find regions of steam in nuclear power plant water pipes and components, Jacobs said, "We've done what Superman does, he sends out X-rays from his eyes and receives back total scattered reflection fields so he can see lots of things ordinary men cannot see."

Anghaie and Jacobs are the first to successfully analyze scattered radiation to determine accurate density distributions in encased objects.

The project which is of great interest to the

Nuclear Regulatory Commission and the Department of Energy, which helped fund the research through EGG of Idaho, Inc., a private firm which now plans to develop the method.

If it works, it will be

used in nuclear power plants to study the steam generating and heat removal process in the reactor system.

"Our method also will help analyze the severity of reactor accidents such as the notorious accident at

Three Mile Island. If suitably applied, the UF method could have helped operators at Three Mile Island determine the nature and severity of the problems during the 1979 accident near Harrisburg, Pa.," Jacob

said.

Miss Clayton is the daughter of Mr. and Mrs. Joe Clayton of 1002 S.E. Third St., Belle Glade.

Obituaries

BROWARD JOHNS
Broward Johns, 78, of 601 N.W. Ave. G, Place, Belle Glade, died Friday, Feb. 5th.

A native of Florida, he was a resident of Belle Glade for 50 years and a retired farming contractor.

Survivors include three daughters, Janet Jones of Homestead; Joan Davis of Belle Glade and Jean Turner of Orlando; two brothers, A.J. Johns, Jr. and Carl Johns both of Ft. Myers; six grandchildren; and one great grandchild.

Services and interment were held Monday, Feb. 8th, at the Port Mayaca Cemetery with Lee Cranford officiating.

Wetherington Funeral Home, Pahokee, was in charge of arrangements.

SHARDEN BUSIE HOILE
Sharden B. Hoile, 83, of 508 N.E. 1st St., Belle Glade, died Feb. 4, in a local hospital.

He was a native of Virginia and came to Belle Glade 10 years ago from Lanham, Md.

He was of the Baptist faith and prior to his retirement, he owned and operated a car dealership and an automotive body shop.

Survivors include his daughter Mrs. O.V. (Katherine) Huffstickler of Belle Glade; 10 grandchildren; and 11 great grandchildren.

Funeral services were held at the

Agnes Lavada Spell
Agnes Lavada Spell, 87, of 271 Carissa Drive, Pahokee died Monday, Feb. 1.

She was a native of Opp, Alabama, and a resident of the Glades since 1924.

Survivors include five brothers, W.J. Adams, Pahokee; Lunice Adams, Canal Point; Claudine and Hollie Adams both of Lanett, Alabama and Carlos Adams, Lake City; and a sister, Melba Adams of West Point, Georgia.

Services were Friday, Feb. 5th, at the Pahokee First United Methodist Church. Rev. Al Donovan officiated. Interment followed at the Port Mayaca Cemetery. Pallbearers were nephews.

Wetherington Funeral Home, Pahokee was in charge of arrangements.

King's birthday, black history observed

Edwards

Houze

BELLE GLADE - In Commemoration of the birthday of the late Dr. Martin Luther King, Jr. and in observance of National Black History Month, several local residents staged a peaceful march through Belle Glade recently.

Since the death of Dr. King, there has been a national and local effort to make his birthday a national holiday.

Black lawmakers have pushed the legislature heavily but have been unsuccessful in getting their fellow lawmakers to support the idea.

Top showbiz entertainer Stevie Wonder led a march in Washington, D.C. to bring national attention to the lawmakers' plea.

Across the national and in South Florida activities were held to bring the matter to the attention of local lawmakers.

Locally three concern citizens, Dorothy Edwards, Norman Harris and George Houze planned a small celebration in Dr. King's honor.

"Although our celebration was small and a spur of the moment idea, we feel that the parade down Avenue E and Fifth Streets helped many local residents recapture that spirit that many felt when Dr. King was alive," said Houze.

Houze said his friends and he was confronted with celebrations being held throughout South Florida and asked themselves why Belle Glade was not having such a celebration.

"Out of a discussion on Friday morning, King's birthday we decided to plan a march for Friday evening," Houze said.

Although the plans for a parade was on a short notice, Chief Bill Mathis and the Belle Glade Police Department was very cooperative," said Ms. Edwards.

"We would like to thank Chief Mathis for granting us permission to have the parade and providing us with police escorts on such a short notice," she added.

Ms. Edwards, who was 12 years old when King was killed, said she felt "if the world could recognize his greatness with a Noble Peace Prize, we (local citizens) should do something annually to recognize his contribution to the American way of life."

Harris said since returning home from the United States service, he has been bothered by what Black kids are learning about their heritage.

"If you ask black kids who Dr. King was, the majority of them will recognize his name, but no one could tell you what his philosophy was," Harris said.

Harris said the trio hopes to get other members of the community involved with planning a large celebration in King's honor in 1993. He also said the group hopes to plan a number of community events with emphasis on Black History.

Local citizens march in honor of the late Dr. King

200 honor Kate Smith on her retirement

WEST PALM BEACH - An atmosphere of friendship and appreciation surrounded over 200 members, volunteers and staff of the Palm Beach Regional Visiting Nurse Association, Inc., at the Annual Dinner and Recognition Meeting held recently at the Hyatt Palm Beaches.

President of the Board, Henry J. Ullmann, welcomed all and reported on a very successful and meaningful year for the VNA. He specifically cited that over \$350,000.00 of visits were made to those who couldn't afford to pay for the service - a fact that highlights VNA's mission since 1945 of providing home health care to everyone in Palm Beach County, regardless of age, race, creed or financial situation.

During the annual dinner special recognition was made to Mrs. Kate Smith, supervisor of the

Belle Glade office, for 35 years of employment at VNA. Memorable stories of her past and gifts from the Board of Directors and the staff were presented as tokens of appreciation.

Mrs. Henry J. Ullmann, Board members, presented awards to outstanding volunteers. Mayor Thomas Altman of Belle Glade was among the volunteers receiving the 100 hour pin.

The 1982-83 officers of the Board was presented by Saul D. Rotter, M.D.: President, Ron E. Brower; First Vice-President Henry J. Ullmann; Second Vice-President Jackie Winchester; secretary, Aubrey Summers and Miss Nancy E. Strelau, CPA, treasurer.

Mrs. Sandra Chamblie, of Belle Glade was nominated as a new director along with Mrs. Barbara Dreyfuss, and Ms. Gene Long, D.P.A.

Valentine dance set

BELLE GLADE - The Mu Rho Omega Chapter of Alpha Kappa Alpha Sorority, Inc., will sponsor its Second Annual Valentine's Day disco dance at the Lake Shore Civic Center, Saturday, Feb. 13, from 9 p.m. to 2 a.m.

Donation to the disco is \$5 per person. Tickets can be purchased from any member of the sorority or at the door.

Togetherness Tea held

BELLE GLADE - The El Dorado Civic Club held its Second Annual Togetherness Tea at the Lake Shore Civic Center on Sunday, Feb. 7.

The El Dorado Club sponsors the tea in conjunction with the Sickle Cell Anemia Awards Banquet to raise funds for the Palm Beach County Sickle Cell Anemia Foundation.

Robert Police, an employee of the Palm Beach County School system was the speaker.

Police a graduate of the PBC School System and Iowa State University shared his ideas on the need for togetherness and the issue of a consolidated high school for the Glades.

Police's views were echoed by many educators, parents, community and civic leaders attending the tea.

The Pahokee High School Ensemble under the leadership of Kevin Boynton and the Glades Central Male Ensemble directed by Reginald Asberry also performed on the program.

The Rev. Alvin Jones, pastor of the New Bethel A.M.E. Church served as the Master of Ceremonies

place. Judges for the contest were the Rev. Richard Thigpen, Roy Singletary, and Milton Johnson.

Also participating on the program were the Rev. James Allen, Jr., Robert Jenkins, James West and John Asberry.

Members of the club are Alberta Culler, Dorothy Cross, Dorothy Davis, Juanita Edwards, Rosa Asberry, Gloria Blake

by, Bernice Smith, Dorothy Glaze, Daisy Butts, Vivian Byrd, Winifred Tolbert, Mortecelle Thomas, Gloria Collier, Debra Benjamin, Drucilla Davis, Mattie Mack, Lottie Freeman.

Claudette Clark, Monica Best, Gladys Crosbie, Doris Harrell, Corine Fields, Gloria Whitley and Betty Evans.

BELLE GLADE WOMAN HONORED: From left to right, Mrs. Kate Smith of the VNA Belle Glade office and Mrs. Vernon Fink and Dub Smith. Mrs. Smith was honored for 35 years of service to VNA.

Girl Scout cookie sale now underway

The annual Girl Scout Cookie Sale, sponsored by Palm Glades Girl Scout Council, is presently under way now through Monday, Feb. 15. Over 6,000 Girl Scouts of all ages will participate in what has become an American tradition, selling

staff photo by Brenda Bunting

AN HONORARY MEMBERSHIP to the Girl Scouts of America was granted to every mother who had a daughter born to her during the first week in February at Everglades Memorial Hospital and the lucky mother was given a box of girl scout cookies. Shown left to right is Dea Kahle, troop leader of the 216 Juniors and the troop 92 cadets with girl scouts Josephine Daffin, Mary Ann Mata and Susie Austin, with Mary Polk, the new mother of daughter Zatarria.

Winners of the table decoration contest were from left to right: Jossey Wigley of the Sophisticated Women Club, Helen Rutledge of the Zeta Phi Beta Sorority and Cynthia Vickers of the Alpha Kappa Alpha Sorority.

Adams named CF chairman

Mrs. Adams

BELLE GLADE—Mrs. Willie M. Adams has been named the 1982 Cystic Fibrosis bikeathon chairman for the Glades area. This is the third consecutive year Mrs. Adams has chaired the event.

Mrs. Adams said she is again asking the support of the community in this year's efforts to raise money for the Cystic Fibrosis Founda-

tion of Florida. The bikeathon will be held in April with the date to be announced later.

"We would like to see more riders than ever before in the parade from Belle Glade to Pahokee and back," said Mrs. Adams.

Businesses and clubs are encouraged to make tax deductible

donations to the Foundation.

Checks, made payable to the Cystic Fibrosis Foundation of Florida can be sent to Mrs. W.M. Adams at 608 S.W. 9th St., Belle Glade, Fla. 33430.

Thank you

The family of James Aubrey Sweet wishes to thank all our friends for their help and encouragement during our time of sorrow.

We deeply appreciate the cards, the flowers, the visits and food given during the past weeks.

Please accept our gratitude and may God Bless You.

Sincerely,
The Sweet Family

Card of Thanks

A heartfelt thank you to our friends who were such a blessing and comfort during our sorrow and loss of a loved one.

Your flowers, prayers and food will always be remembered. We all thank each and every one of you.

Jessie Simmons and family

Beagle-Jones announce plans

INVERNESS—Mr. and Mrs. James R. Beagle announce the engagement of their daughter Jamie Ann, to Mr. Steven Clary Jones, son of Mr. and Mrs. George Clary Jones of Adel, Ga.

Jamie is the granddaughter of the late Terry L. Driggers of South Bay and Mrs. Tillie Driggers who now lives in Ft. Myers, Fla.

Mr. Driggers was superintendent at the South Bay Plantation for the United States Sugar Corp. until his retirement. Jamie's mother, the former Ann Driggers grew up in Clewiston, South Bay and Belle Glade.

The bride-elect is a graduate of Crystal River High School, Crystal River, Fla. She is currently a sophomore at Valdosta State College, Valdosta, Ga., where she is a sociology major and has been selected by the College as an Insight and Orientation Leader.

Miss Beagle was a runner-up in the City of Valdosta's Miss Wintersville Classic and she has been chosen "Miss February" for 1982 in the annual Tau Kappa Epsilon's Calendar Girl Beauty Pageant. She also is a Phi Mu sister and has been selected by the Delta Chi Fraternity as a Brotherhood Sponsor. She plans to continue her education after marriage.

Steven graduated from Cook High School in Adel in 1978 and is presently a senior at Valdosta State College.

He is a biology major and will graduate premed in June of this year. He is also a College Insight Leader, is

on the Dean's List, has merited membership in the Sigma Alpha Chi Honor Society; has earned the Freshman Award, the Regents' Scholarship, the Delta Chi Education Foundation Award, and has been selected to International Youth In Achievement.

The groom elect also has been chosen to be listed in the publication "Who's Who in American Colleges And Universities."

Steven is the President of Delta Chi Fraternity at VSC and also a member of the Biological Society. He plans to enter medical school in the fall.

A June 12th wedding is planned at the Park Avenue United Methodist Church in Valdosta.

Title I sponsors program

PAHOKEE—Title I, Grade One at Pahokee Elementary will be presenting a Valentine program as part of the "Love Is" theme for the month of February on Feb. 15.

Two showings of the program will be given, one at 8:45 a.m. and another at 9:45 a.m.

Students in Pre-kindergarten through the fourth grade will be participating in the program as well as students from support programs such as Alternative Education and Title I SCSC.

The program will include pantomimes, songs, dance activities and poems. The event is open to the public.

Steven and Jamie

Library starts children's program

BELLE GLADE—The Belle Glade Municipal Library has started a weekly children's program on Wednesdays, Fridays and Saturdays.

A pre-school story hour will be offered on

Wednesday afternoons at 1 p.m. Every Friday at 4 p.m. afternoon special will be provided for elementary school children. Saturday at 1 p.m. movies will be shown for all age groups.

Girl Scouts

Cont. from Vista

cookies door-to-door and in convenient community locations.

The very first Girl Scout Cookie Sale was initiated quite accidentally in the windows of the Philadelphia Gas and Electric Company in 1932. Girl Scout troops were busy holding baking demonstration and as the cookies began to pile high, people asked to purchase them. Today, each of the 338 councils in the USA participate in the annual cookie sale, a major fund raising event for Girl Scouts. Proceeds from the sale directly benefit girls by supporting and expanding Girl Scout programs. Girls are given the opportunity to grow in skill and self-confidence, through camping programs, career education, sports, community service projects, travel and much more! The National organization, founded by Juliette Gordon Low in Savannah, Georgia, in 1912, today serves approximately 3 million members and is the largest organization for girls in the world. It is a member of the World Association of Girl Guides and Girl Scouts, part of an international family of girls

and adults in 104 countries.

Palm Glades Girl Scout Council covers a 6½ Florida county jurisdiction consisting of Palm Beach, Martin, St. Lucie, Indian River, Okeechobee, Glades and ½ Hendry. Girl Scouting is most commonly associated with camping and cookies, however, the movement has grown tremendously over the years. Based on ethical values, the organization is providing girls with the opportunity for self-development through active involvement in the community, by helping others and becoming informed citizens on the local, national and international levels.

This year, the Palm Glades' Girl Scouts will be selling seven varieties of scrumptious cookies supplied by Famous Foods of Virginia (F.F.V.) for \$1.50 a box. The newest flavor is mouth-watering Carrot Delites. All are made without artificial preservatives and keep well in the freezer.

There is no better time to savor than now, so treat yourself to some delicious Girl Scout cookies! After all, they are an American tradition worth upholding.

REV. JOE ED MCGAHEY

KEEPING THE FAITH

"Grace, mercy and peace from God the Father and Christ Jesus our Lord" 1 Timothy 1:2. These were Paul's words to his "son in the faith" Timothy. Timothy had been a spiritual son to Paul and became the person that Paul relied on to take over his ministry once he was gone. But this greeting is somewhat like that which he used to address not only Timothy but the churches that he wrote. Really it is more of a greeting from God than it is from Paul. In fact, Paul says this is form God... and Christ Jesus. For real grace, real things come from God or else they are not real. God's grace is something all of us are dependent on whether we realize it or not. For His grace comes to us first of all in giving us life and the privilege of living in the midst of His creation. The great variety of beauty that God has put all around us is part of God's grace. All of this and far more is given to us whether we recognize it as God's gift or not.

However, this is only one part of God's grace. The second part comes to us in the form of God reaching out to us to make us aware of His gift of salvation. He does this in many ways. There is first of all the written "Word of God" - the Bible. In those pages we read about God, His love, His dealings with man. His expectations of us and about the coming of the "Living Word" - Jesus Christ. But God's grace also comes to us through the church and the communion of other people. Sometimes it comes to us as a friend shares with us about what Jesus Christ means to them, of his or her experience or experiences in the Christian faith. But God does not even stop there. God also comes to us directly through the power and presence of the Holy Spirit to deal with us direct-

ly. Sometimes we feel the convicting power of God's spirit of needing to deal with the sin in our lives and God's direction for our lives and of how to come into a real relationship with God through Jesus Christ.

Then there is God's mercy. Without God's mercy none of us could stand before God. Man at best has his own way. If God dealt with us as we deserve we would be written off without hope. By the standards of man some people look pretty good, but when we compare ourselves to what God would have us to be then we fall far, far short of God's will for us, as Paul wrote the Romans, "for all have sinned and fall short of the Glory of God." (Rom 3:23 NASB)

One reason, in fact the primary reason, Jesus Christ came into the world was to become sin for us, that on the cross, He could pay the price of our sin. That is God's grace and mercy. It is the grace of His love and the mercy of His forgiveness. But it is a grace and mercy that must be accepted to be realized.

Finally there is peace. Another word for peace is reconciliation. God peace (or reconciliation) is not man's peace, which at best is very fragile. As Jesus said, "Peace I leave with you; My peace I give to you; not as the world gives, do I give to you. Let not your heart be troubled, nor let it be fearful." (John 14:26 NASB) The world's kind of peace starts on the outside and usually stays on the outside and therefore is not real. But the peace of God starts in the human heart. It has its beginning as we come to be reconciled to God because of God's grace and mercy. Because we are reconciled with God, we know our sin is forgiven and that Jesus Christ has come to live in us. This in turn enables us to be at peace with ourselves. We can respect and love ourselves. The internal conflicts are dealt with and we have victory over them. It is then that we can come to really be reconciled with our fellow man.

This is real peace that starts by making us able to live in peace with self and then others. This kind of peace will be stronger and more meaningful.

Youth clubs plan meeting

BELLE GLADE: The Florida Association of Women and Girls Clubs Inc., will hold its annual Youth Clubs Planning session on Saturday, Feb. 13, at the Lake Shore Civic Center from 9 a.m. to 2 p.m.

More than 100 delegates are expected to participate in the planning of the youth activities for the 1982 state convention to be held in West Palm Beach the week of June 19th.

Mrs. Ida Mizell, president of the City Association of Women Clubs of Belle Glade said the Association will provide the lunch for the session and local girls and boys clubs will serve as hostesses and hosts for the visiting clubs.

The advisors to the planning session are Mrs. Williams of Ft. Lauderdale, the State Girls Clubs Supervisors; Mrs. Antonio, Russell of Belle Glade, Assistant Supervisor; Mrs. Mabel Bell, State President, and Mrs. Mizell, President of the City Association.

One Way Express scheduled

PAHOKEE - The Church of God, located at 185 Barfield Hwy., is sponsoring the One Way Express with the Evangelist Jack

McGowan, Feb. 17 through 21. Services will begin nightly at 7:30 p.m. and the public is invited to attend.

Pancake supper slated

PAHOKEE: The Holy Nativity Episcopal Church in Pahokee will be holding their traditional Shrove-Tuesday Pancake Supper on Feb. 23 at the church at 1020 E. Main Street between 5:30 p.m. and 7:30 p.m.

Tickets are being sold by all church members and the cost per ticket is \$3 and includes a menu of sausage, baked apples, a beverage and all the pancakes you can eat. The supper is open to the public.

Crusaders lose to King's Academy by eight points

BELLE GLADE - Despite a 25 point game by Alex Morales, the Crusaders fell short of beating King's Academy February 2.

Luis Garcia followed Morales with 13 points. Hudson scored eight, Tavi Garcia four and Cary McKee two.

"A few calls went against them and they took it well," said Crusader Coach Woody Salvatore.

"Earlier they have gotten mad. I'm really impressed with their attitude."

This week, the Crusader travel to Berean and host Benjamin. The Benjamin game starts at 8 p.m. on Feb. 16.

'Flat Gators' trounce Lake Worth

BELLE GLADE - The Glades Day Gators lost two games last week and picked up one victory.

"Last week, we were just flat," said Richard Schmidt, Gator coach. "In a way, it doesn't bother me. A bit of a flu bug was going around, and I didn't start (Richard) Schiele Friday because he missed a practice. Although that's no reason because that's why you have ten guys on a team - so that you aren't dependent on one guy."

"Don't get me wrong, I'm not as satisfied as I was with last week or the week before."

They ended the previous one.

They hosted Lake Worth Christian and, like Berean Christian four days earlier, ate them up.

Lake Worth lost by the whopping score of 92-36.

"They couldn't do anything right

the second half," said Schmidt.

Six Gators went into double figures in the contest. Scott Meredith scored 24, followed by Richard Schiele with 17. Andy Fontaine scored 13, David Lakatos 13 and Raul Garcia and Jorge Rodriguez 10 each.

Mike Basore scored five, Oscar Toledo four and Frank Thompson two.

The Gators hit a slide the next

evening - a slide which continued throughout a Friday night loss to Christian Day.

Wednesday, Feb. 3, the Gators hosted Pope John Paul and were defeated 64-67.

"We had a chance," said Schmidt. "We had it down to three with one and a half minutes to go."

Lakatos led the team with 15 points, Toledo scored 14 and

Meredith 13. Garcia scored six, Rodriguez three and Basore and Frank Thompson two apiece.

This week, the Gators travel to Benjamin and John Carroll.

Meredith is the teams leading scorer, averaging 13.8 points per game. He is closely followed by Lakatos, with 13.6. Schiele averages 12.4 per game and Garcia 12.2.

JV GATORS: The junior varsity squad is now 11-2.

Crusaders beat Gators in 2nd game

By JEFF BROWN

BELLE GLADE - "Hay, want a picture of the winners? Come in here and take ours," said one of the red and white clad basketball players looking out of the locker room.

He was right. It was locker room full of winners.

The Crusaders put together strong first and third quarters to shellac the Glades Day Gators, 65-54. Less than two weeks earlier, the Gators had beaten the Christian Day Crusaders 57-54.

The Gators fell behind early and never took the lead in the game played Friday, February 5, at Belle Glade Christian.

"We just wanted it worse than they did," said Crusader Coach Woody Salvatore.

Gator Coach Richard Schmidt agreed. "I didn't think we played a terrible game - we had a poor game. That's not to take anything away from them. They took our game away from us in aggressiveness. They wanted to win the game a little bit more than we did."

At the end of eight minutes, the Crusaders had ten lead, 16-9.

The Gators looked like they were ready to come back and give a repeat of the previous week's game between the two when the Gators, behind through out the game, won it in the closing minute.

At the half, the Gators had closed the gap to

six, 30-24.

They fell apart in the third quarter, though.

The Crusaders picked up 22 points and held the Gators to 12, and from there, hung on to a 16 point lead for most of the last quarter, before the Gators closed it by five, losing the game 54-65.

"They did things right," said Schmidt. "We didn't."

"Their attitude is what I'm pleased about," said Salvatore about the Crusaders. "I've seen a lot of change in their attitude. This week they started to play good basketball too. I see a change, not only in them but in the fans too. Sometimes its hard when the fans aren't acting right."

Alex Morales led the Crusaders with 19 points, followed by Luis Garcia with 16 and Scott Hudson with 13. Tavi Garcia hit double figures with 10 points. Roly Ramos and Cary McKee scored five and two points respectively.

On the Gators' team, Scott Meredith scored 17 to lead the team, followed by Richard and Raul Garcia with 12 each. David Lakatos hit for six and Oscar Toledo four. Jorge Rodriguez scored three.

"Most likely, if things go the way they probably will, we'll see each other in districts," said Salvatore, who added he would like to see each of the two teams seated on different brackets so they could play each other in the finals.

Devils up record

PAHOKEE - If you listen to members of the Pahokee High School basketball team, one would think the state playoffs have already started.

The Blue Devils, who have won their last 13 games, will host the District Boys and Girls basketball games.

Listening to senior Anthony Bryant, one would get the feeling the Devils have already won the state championship. Bryant one of the team's leading rebounders said Tuesday the Devils have a good shot at the state crown.

"Our schedule is filled with schools that are larger than us. The only 2A schools we play are Clewiston and Christian Day School," said Bryant.

Bryant, who stand above six feet, was the Devils leading scorer when they beat Fort Pierce Central 61-56 on Feb. 2. Bryant scored 15 points and was followed by teammates Floyd Henry and Walter Johnson with 14 points each.

The Blue Devils never really had any trouble with Fort Pierce having outscored their opponent the first two quarters.

At half time the Devils was on top by a score of 26 to 24.

Helping the Devils under the net also were

team members Antonio Wilson, Melvin Jones, and Alvin Hill with two points respectively. Joe Walker contributed 10 points.

In a game Friday against Jupiter the Devils won the game by a score of 76-40.

Against senior Anthony Bryant was the game's leading scorer with 17 points.

Pahokee controlled the game with excellent shooting and ball control. The Devils led in scoring each quarter and held the Warrior to only eight points in the second quarter and six points in the third quarter.

Assisting Bryant under the net were Joe Walker with 16 points, Floyd Henry with 16, Antonio Wilson had 12 points, Kirk Patrick & Melvin Jones and A. Walker with 3 points and Walter Johnson and Juan Ribio with 2 points.

Bryant was the game's leading rebounder and Joe Walker had the greatest number of assists.

The Devils has three regular season games remaining on their schedule. The will play Suncoast Feb. 12 in Riviera Beach, on Feb. 16 they will play Cardinal Newman at home and on Thursday, Feb. 18, the Devils will host the Glades Central Raiders.

Arvo Boin - 163(30); Marvin Boin - 192-507; Joy Sennell - 162.

Basore Firms
Denise McGinn - 145(16); Kim Barton - 148(19); David Basore - 183(63); Curtis Barton - 181.

M. & M. Sporting Goods
Julia Swindle - 164(26); Glenda Teton - 146; Eddie Swindle - 172; Edgar Teton - 192-522.

GLADES DAY beat Christian Day Friday, Feb. 5, in a junior varsity basketball game. The final score was 59-55. Pictured above are Bill Prescott (23), Philip Echols (53) and Jim Cochran (12).

Crusaders lose to King's Academy by eight points

BELLE GLADE - Despite a 25 point game by Alex Morales, the Crusaders fell short of beating King's Academy February 2. King's won the game 60-52. Luis Garcia followed Morales with 13 points. Hudson scored eight, Tavi Garcia four and Cary McKee two.

"A few calls went against them and they took it well," said Crusader Coach Woody Salvatore. "Earlier they would have gotten mad. I'm really impressed with their attitude." This week, the Crusader travel to Berean and host Benjamin. The Benjamin game starts at 8 p.m. on Feb. 16.

Crusaders beat Gators in 2nd game

By JEFF BROWN

BELLE GLADE - "Hey, want a picture of the winners? Come in here and take a picture," said one of the red and white clad basketball players looking out of the locker room.

He was right. It was locker room full of winners.

The Crusaders put together strong first and third quarters to shellac the Glades Day Gators, 65-54. Less than two weeks earlier, the Gators had beaten the Christian Day Crusaders 57-54.

The Gators fell behind early and never took the lead in the game played Friday, February 5, at Belle Glade Christian.

"We just wanted it worse than they did," said Crusader Coach Woody Salvatore.

Gator Coach Richard Schmidt agreed. "I didn't think we played a terrible game - we had a poor game. That's not to take anything away from them. They took our game away from us in aggressiveness. They wanted to win the game a little bit more than we did."

At the end of eight minutes, the Crusaders had ten point lead, 19-9.

The Gators looked like they were ready to come back and give a repeat of the previous week's game between the two when the Gators, behind through out the game, won it in the closing minute.

At the half, the Gators had closed the gap to

six, 30-24.

They fell apart in the third quarter, though.

The Crusaders picked up 22 points and held the Gators to 12, and from there, hung on to a 16 point lead for most of the last quarter, before the Gators closed it by five, losing the game 54-65.

"They did things right," said Schmidt. "We didn't."

"Their attitude is what I'm pleased about," said Salvatore about the Crusaders. "I've seen a lot change in their attitude. This week they started to play good basketball too. I see change, not only in them but in the fans too. Sometimes it's hard when the fans aren't acting right."

Alex Morales led the Crusaders with 19 points, followed by Luis Garcia with 16 and Scott Hudson with 13. Tavi Garcia hit double figures with 10 points. Roly Ramos and Cary McKee scored five and two points respectively.

On the Gators' team, Scott Meredith scored 17 to lead the team, followed by Richard and Raul Garcia with 12 each. David Lakatos hit for six and Oscar Toledo four. Jorge Rodriguez scored three.

"Most likely, if things go the way they probably will, we'll see each other in districts," said Salvatore, who added he would like to see each of the two teams seated on different brackets so they could play each other in the finals.

Devils up record

PAHOKEE - If you listen to members of the Pahokee High School basketball team, one would think the state playoffs have already started.

The Blue Devils, who have won their last 13 games, will host the District Boys and Girls basketball games.

Listening to senior Anthony Bryant, one would get the feeling the Devils have already won the state championship. Bryant one of the team's leading rebounders said Tuesday the Devils have a good shot at the state crown.

"Our schedule is filled with schools that are larger than us. The only 2A schools we play are Clewiston and Christian Day School," said Bryant.

Bryant, who stand above six feet, was the Devils leading scorer when they beat Fort Pierce Central 61-56 on Feb. 2. Bryant scored 15 points and was followed by teammates Floyd Henry and Walter Johnson with 14 points each.

The Blue Devils never really had any trouble with Fort Pierce having outscored their opponent the first two quarters.

At half time the Devils was on top by a score of 26 to 24.

Helping the Devils under the net also were

team members Antinio Wilson, Melvin Jones, and Alvin Hill with two point respectively. Joe Walker contributed 10 points.

In a game Friday against Jupiter the Devils won the game by a score of 76-40.

Against senior Anthony Bryant was the game's leading scorer with 17 points.

Pahokee controlled the game with excellent shooting and ball control. The Devils lead in scoring each quarter and held the Warriors to only eight points in the second quarter and six points in the third quarter.

Assisting Bryant under the net were Joe Walker with 16 points, Floyd Henry with 15, Antinio Wilson had 12 points, Kirk Patrick 6, Melvin Jones and A. Walker with 3 points and Walter Johnson and Juan Ribio with 2 points.

Bryant was the game's leading rebounder and Joe Walker had the greatest number of assists.

The Devils have three regular season games remaining on their schedule. The will play Suncoast Feb. 12 in Riviera Beach, on Feb. 16 they will play Cardinal Newman at home and on Thursday, Feb. 18, the Devils will host the Glades Central Raiders.

'Flat Gators' trounce Lake Worth

BELLE GLADE - The Glades Day Gators lost two games last week and picked up one victory.

"Last week, we were just flat," said Richard Schmidt, Gator coach. "In a way, it doesn't bother me. A bit of a flu bug was going around, and I didn't start (Richard) Schiele Friday because he missed a practice. Although that's no reason because that's why you have ten guys on a team - so that you aren't dependent on one guy."

"Don't get me wrong, I'm not as satisfied as I was with last week or the week before."

The Gators started the week like they ended the previous one.

They hosted Lake Worth Christian and, like Berean Christian four days earlier, ate them up.

Lake Worth lost by the whopping score of 92-36.

"They couldn't do anything right

the second half," said Schmidt.

Six Gators went into double figures in the contest. Scott Meredith scored 24, followed by Richard Schiele with 17. Andy Fontaine scored 13. David Lakatos 13 and Raul Garcia and Jorge Rodriguez 10 each.

Mike Basore scored five, Oscar Toledo four and Frank Thompson two.

The Gators hit a slide the next

evening - a slide which continued throughout a Friday night loss to Christian Day.

Wednesday, Feb. 3, the Gators hosted Pope John Paul and were defeated 64-67.

"We had a chance," said Schmidt. "We had it down to three with one and a half minutes to go."

Lakatos led the team with 15 points, Toledo scored 14 and

Meredith 13. Garcia scored six. Rodriguez three and Basore and Frank Thompson two apiece.

This week, the Gators travel to Benjamin and John Carroll.

Meredith is the teams leading scorer, averaging 13.8 points per game. He is closely followed by Lakatos, with 13.5. Schiele averages 12.4 per game and Garcia 12.2.

JV GATORS: The junior varsity squad is now 11-2.

ARC to deliver gifts

BELLE GLADE- Remember your sweetheart this Valentine's Day with a gift from the Association for Retarded Citizen Glades Area.

Mrs. Patricia Blash, executive director of the local ARC, said for the second consecutive year the ARC will deliver a variety of Valentine's Day gift items.

Mrs. Blash said the idea was so successful last year, the Association decided to go with the fund raising event again this year. In addition to being a fund

raising event, Mrs. Blash said the Valentine's Day delivery service also served as a good public relation event for the Association.

Mrs. Blash said the Association is offering seven gift items.

Gift items available includes:

--"Tisket a Tasket"--A Valentine Basket of homemade cookies--\$5.

--"Cookies" to Remember"--A trinket box decorated in hearts filled with homemade cookies--\$15.

--Heart decorated bud vases with carnations

or a rose accented with greenery--\$12.50.

--Heart decorated gift containers with assorted flowers--\$15.

--Lucite Heart with flowers--\$15.

--Heart Box the "PTD Valentine Special, which is a trinket box filled with flowers--\$17.50.

--Dish Garden and assorted flower arrangements starting at \$17.50.

Displays of the gift items are on display at the ARC office, 601 West Canal St., Belle Glade.

"By having flowers or cookies delivered to

the special people in your life, you will help support programs for ARC students," said Mrs. Blash.

To place orders call 996-4335 or stop by the ARC office.

Mrs. Blash said the Rose Petal Floral Shop will be creating the various floral arrangements.

Senior citizens party

PAHOKEE- The Glades Ebouique Ladies Club will sponsor its Third Annual Senior Citizens Valentine's Day Luncheon Saturday, Feb. 13, at the Padgett Island Community Center at 11 a.m.

Mrs. Patricia Wallace, president of the organization, said all senior citizens are invited to participate.

"The GELs will serve lunch to the senior citizens and a variety of games and activities will be held also," said Mrs. Wallace.

A king and queen of Valentine's Day will be selected and the oldest senior citizen will also be honored, according to Mrs. Wallace.

Senior citizens residing in Padgett Island, Fremd Village, Suckley and McClure quarters are encouraged to attend.

Vereen Valentine's Day speaker

PAHOKEE- The Glades Ebouique Ladies Club will sponsor a "Sisterhood Valentine's Day" tea Sunday, Feb. 14, at 3 p.m. at the Canal Point Community Center.

Mrs. Patricia Wallace, president of the club said Mrs.

Maude Vereen, a member of the Elite Community Club will be the speaker and the

Pahokee High School Ensemble under the direction of Kevin Boynton will present a

special musical program.

Mrs. Wallace said Mrs. Edna McClendon, a member of the Iota Omicron Zeta Chapter of Zeta Phi Beta Sorority, Inc., will serve as the installing officer for the installation ceremony.

All Glades area social, civic and religious clubs and organizations, along with sororities and fraternal orders are invited to attend.

Money & Consumers

by
GERALD LEWIS
Florida Comptroller

Common Credit Terms

If you have ever had to secure a loan or arrange financing, you may have been in the position of not completely understanding the transaction you are undertaking.

Many consumers often feel at a disadvantage when confronted with the technical language of a financial agreement because they are not familiar with certain terms and phrases. Understanding the terms below, which are commonly used by credit issuing businesses, can help alleviate some of that uncertainty.

Annual Percentage Rate - The actual yearly rate of interest. According to law, this rate, as well as the total dollar amount, must be stated by the business offering credit.

Acceleration Clause - A statement in a contract that makes all remaining payments due with the default of a single payment.

Balloon Clause - A clause in an installment contract which makes the last payment larger than other payments.

Calling A Loan - To demand payment immediately or on a specific date.

Carrying Charges - The regular payments on principal and interest as specified by the contract such as monthly mortgage payments.

Collateral - Property set aside or deposited as security to insure the fulfillment of a contract or obligation.

Credit Insurance - Insurance which pays what is owed if the borrower should die or become disabled prior to fulfilling the contract.

Default - Failure to carry out the terms of a contract or to pay when due.

Deferred Payment - A series of divided payments on a contract which are to be made at future designated times.

Finance Charges - The total amount charged for use of credit. It includes interest and other service charges.

Foreclosure - The confiscation of property because the borrower fails to pay off the mortgage debt.

Installment Credit - Credit which is extended for the purchase of an expensive item and which is to be paid for over a long period of time. The contract specifies the number of payments, size of payments and when they are to be made. This may be called an installment or budget plan.

Interest - The charge for the rental of borrowed money.

Late Charge - An extra charge which is levied when an installment payment is not made on time.

Maturity Date - The day the last payment of a contract is due.

Mortgage - A pledge of security, such as real estate, for the repayment of a debt.

Promissory Note - A written promise to pay the amount owed on demand or at a fixed date in the future.

Service Charge - Charges added to the interest for services such as bookkeeping.

Cook's Corner

HAZEL T. LITCHFIELD

Our recipe this week was submitted by Hazel Litchfield, a retired Home Economics teacher from Belle Glade High School.

Hazel is active in the community, being a member of the Belle Glade Women's Club, the Chosen Garden Club, the Retired Teachers Club and the Young At Heart and Singles Club. She is also a member of the First Baptist Church in Belle Glade.

Hazel says this recipe serves 7 or 8 people and cautions us not to overcook this dish.

SHRIMP DE JONGHE

- 3 pounds shrimp (uncooked)
- 4 cup consomme
- 4 or 5 cloves of garlic (sliced)
- 2 cups dry bread crumbs
- salt and pepper to taste
- 1 cup butter
- 6 tablespoons of parsley (fresh or dried)

1. Shell and remove black vein
2. Place in casserole dish (one layer)
3. Salt and pepper
4. Pour consomme over shrimp.
5. Cook garlic in butter until light brown.
6. Add crumbs and parsley to garlic butter. Mix well and sprinkle this evenly over shrimp in casserole dish.
7. Bake 15-20 minutes at 400 degrees.

Middle school FFA whips seniors

PAHOKEE -- Competing for trophies can be tough, but when you are a middle school competing against 12

high schools from South Florida, you can be proud when you walk away with the second place team

trophy. East Lake Middle School Future Farmers of America (FFA) came away with the second place trophies in the dairy judging contest held at the South Florida Fair.

In addition Lynn Keesee received a

trophy for the highest total points in the entire contest.

The second place team winners were all students from the seventh grade at East Lake and their sponsor was Joseph Powell, the FFA advisor.

EAST LAKE Middle School, Pahokee, was coming up trophies recently when the seventh grade FFA students captured the second place trophies in the dairy cattle division held at the South Florida Fair. The middle school competed against 12 South Florida high schools to take these trophies. Shown seated is Lynn Keesee, Gloria Hernandez and Dina Skinner. Standing is Joseph Powell, FFA advisor, Evelio Santos and Gary Pace.

Firm to seek hospital waste solution

By JEFF BROWN

PAHOKEE -- The Pahokee City Council Tuesday, Feb. 9 voted to "allow" a consulting firm to seek permission from the appropriate government agencies to dispose of pathological hospital waste at the Pahokee incinerator.

The city is under obligation to burn the waste if permission is obtained by the firm.

H.J. Bauch of Southeast Environmental Consultants, Inc. out of Pembroke Pines told the council he will seek the permission from the agencies, including the Palm Beach County Health Department, at no cost to the city.

The wastes he wants to dispose of at the city incinerator are misclassified as pathological, he said.

Most of it will consist of plastics contaminated during hospital operations.

"I do not anticipate wet wastes," he said.

"That's what I term macabre."

If he gains the permission of the agencies and the council agrees to burn the wastes, Bauch said he expects to supply the city with five tons of waste per day about three to five days a week for about four months.

The method of classifying the wastes at hospitals has recently been changed and until that process takes affect, many wastes which are not actually pathological may be classified incorrectly, said Bauch. He said that is the type of waste the Pahokee incinerator would be supplied with.

The council also gave permission to the Chamber of Commerce to set booths up in the parking lot during the city's 60th birthday celebration, the Pioneer Celebration

SCOUTING'S 72nd ANNIVERSARY FEB. 7-13

All Outdoors!

In rural and city areas, Boy Scouts are given a taste of nature...to learn from and appreciate it. Support them.

Bank of Belle Glade
Belle Glade & South Bay

Boy scouting takes a boy and gives him a clearer outlook
...makes him feel good about himself
...teaches him to care about others and to take an active part in his own future. We're proud of our Scouts and the responsible adults they become...we're proud to support them!

He's A Winner!

He's a Boy Scout, and that's one of the best things he can be! We're proud to support him...and this super organization!

Belle Glade may act on water, sewer bond

By Chuck McDermott
Glades Bureau Chief

BELLE GLADE-- The bond resolution to be approved by the voters of Belle Glade for the construction of a water and sewer system is expected to be approved by the voters of Belle Glade in the November election. The bond resolution is expected to be approved by the voters of Belle Glade in the November election. The bond resolution is expected to be approved by the voters of Belle Glade in the November election.

Reagan plan doesn't allay deficit fears

Trial set for inmates on escape attempt

WASHINGTON (AP)-- President Reagan's plan for a "budget freeze" to reduce the federal budget by 10 percent in 1982 is expected to be approved by the House of Representatives in the coming days.

BELLE GLADE-- An April jury trial has been set for two men charged with the escape of a federal inmate from the Glades County Jail. The trial is expected to be held in the Glades County Courthouse.

Weather

Partly cloudy with a high in the upper 40s to a low in the upper 30s. A cold front moving in from the north.

Chamber contest announced

Any high school senior who has resided in Palm Beach County for at least 12 months is eligible to enter the Palm Beach Chamber of Commerce Scholarship Contest.

This will be the third year that the Chamber has given a scholarship to a winning senior in a Palm Beach County high school. The \$4,000 award is given on a yearly basis of \$1,000 per year for four years.

It is given for four years of undergraduate work at an accredited institution of higher learning, including junior colleges. During this time, satisfactory grade averages are maintained in consecutive years, to be paid directly to the educational system.

The scholarship award is an entry of an essay, not exceeding 2,000 words on the subject, "Changing Times". What are they to you? Each entry must be accompanied by a completed application form which will be available at schools or may be obtained at the Palm Beach Chamber of Commerce, 45 Coconut Row, Palm Beach, Florida 33480 or one may phone at 655-3282.

Deadline for the submission of the essay will be March 31st. The winner will be notified on May 3rd and announced to the public at the Chamber's monthly breakfast meeting at the Breakers Hotel on May 13th.

Students improve skills

PAHOKEE — They file into the darkened room quietly but with enthusiasm at East Lake Middle School to work in individual level, thanks to the new Computer Assisted Instruction (C.A.I.) now offered.

Fifth and sixth grade Language Arts, Reading Title I students come into Jan Bethes's reading class for 10 minutes each day to take in-

dividualized lessons from one of the eight terminals.

"The Title I program is a supplemental reading for below level students to help bring them up to grade level," said Bethes. "Students work at their own level and are moved up or down according to how they perform."

The main terminal is housed at Lake Shore Elementary. "We've

been on this program for two months now," said Bethes, "and the students are making noticeable gains."

Each student sits down to a terminal and punches in his or her own student number and their course. The machine then gives them their own in-

dividual work to do.

"Teachers were trained at a two day workshop held at Belle Glade Elementary. Participating in the program are Dean Kable and Sarah Hill, both Title I teachers, Gwen Curry, teachers aid and Jan Bethes, instructional aid.
